2026 Ingleside State School Internet Access Agreement Form

(Parents to sign)

Parents / Caregivers

I understand that the Internet can provide students with valuable learning experiences.

I also understand that it gives access to information on computers around the world; that the school cannot control what is on those computers; and that a very small part of that can be illegal, dangerous or offensive. I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students. I understand that my child has an email address allocated at the school.

I believe (Name of student) understands this responsibility, and I hereby give my permission for him/her to access the Internet under the school rules. I understand that students breaking those rules will be subject to appropriate action by the school. This may include loss of internet access for some time.
